CLINICAL PSYCHOLOGY EXPERIENCE

Sept 2016-present

Southwest Clinical and Forensics Dallas, TX

Responsibilities: Forensic psychological evaluations and expert witness services in a variety of areas including criminal cases (e.g., competency to stand trial, violence risk assessment, mental state at the time of the offense) civil cases (e.g., child custody, independent medical evaluations, psychiatric personal injury), and administrative cases (e.g., immigration evaluations, fitness for duty) in state and federal courts.

Sept 2015 – Sept 2016

Postdoctoral Fellow in Forensic Psychology University of Arkansas for Medical Sciences / Arkansas State Hospital Little Rock, AR

Training Director: Mark Peacock, Ph.D.

Responsibilities: Conduct pre-hire psychological assessments for hospital safety officers. Conduct court-ordered forensic evaluations of competence to stand trial, mental state at the time of the offense, and dangerousness/risk for adult and juvenile defendants of diverse backgrounds. Provide written reports to the Court and provide testimony in State Courts as necessary. Consult with interdisciplinary treatment teams regarding patients. Participate in weekly Advanced Case Law and Advanced Topics in Forensic Psychology seminars

as well as individual supervision. Participate in Law and Psychiatry class at the University of Little Rock William Bowen School of Law. Assist with data collection for an independent research program.

June 2014 – June 2015

**Clinical Psychology Intern (Forensic Track)
NYU Langone Medical Center/Bellevue Hospital Center
New York, NY**

Training Director: Danielle Kaplan, Ph.D.

Responsibilities: Rotate through three, four-month placements including: Neuropsychological Assessment, Forensic Assessment, and Forensic Treatment at Bellevue Hospital Center as well as a year-long placement at Kirby Forensic Psychiatric Center. Conduct court-ordered forensic evaluations of competence to stand trial and pre-trial psychological evaluations for English and Spanish-speaking adult defendants. Conduct dangerousness/risk assessments for male and female offenders adjudicated to be Not Guilty by Reason of Insanity. Perform neuropsychological evaluations (in English and Spanish) with psychiatric, neurological, and medical populations (inpatient and outpatient). Conduct individual, family, and group therapy with male prisoners age 16 and older on Bellevue Hospital's Prison Unit as well as community members at Bellevue Hospital's Outpatient Psychiatry Clinic. Attend weekly seminars and didactic presentations.

**September 2013 – June 2014 Clinical Psychology Extern, The Menninger Clinic
Houston, TX**

Responsibilities: Co-lead mentalization-based group therapy for inpatient adolescents on a variety of topics (e.g., bullying, interpersonal relationships, and substance use).

**June 2013 – October 2013 Associate Evaluator, Applied Psychological Services
Houston, TX**

Responsibilities: Conduct integrated psychological and neuropsychological assessments for Social Security Administration and Department of Rehabilitative Services, using a clinical interview and appropriate assessments including cognitive, academic, personality, and projective measures. Write integrated assessment reports and provide appropriate recommendations.

**Dec 2012 – March 2013 Clinical Psychology Extern, Anxiety Disorder Clinic
University of Houston, Houston, TX**

Responsibilities: Conduct group psychotherapy sessions targeted to anxiety disorders; write progress notes; participate in group supervision meetings.

**June 2012 – June 2013 Clinical Psychology Extern, Federal Detention Center
Houston, TX**

Responsibilities: Conduct initial intake evaluations, long-term individual psychotherapy, brief drug education therapy groups, long-term substance abuse therapy groups, integrated assessments, record progress notes, and participate in individual supervision. Clients included incarcerated males and females from diverse backgrounds with problems including substance use, PTSD, depression, anxiety, a range of personality disorders, and severe mental illness. Take part in treatment planning and coordination of care with other mental health providers.

RESEARCH EXPERIENCE

- September 2015 – Sept 2016 **Research Affiliate, Arkansas State Hospital Forensic Psychology Research Initiative**
University of Arkansas for Medical Sciences, Arkansas State Hospital, Little Rock, AR
- Sept 2013 – June 2014 **Research Assistant, The Menninger Clinic**
Houston, TX
Responsibilities: Conduct assessment batteries (Child Attachment Interview, Diagnostic Interview Schedule for Children, Childhood Interview for Borderline Personality Disorder) as part of a larger research initiative on adolescent psychopathology.
- Dec 2012 – March 2013 **Research Assistant, Anxiety Disorder Clinic**
University of Houston, Houston, TX
Responsibilities: As part of a randomized clinical trial, conduct diagnostic assessment batteries and submit integrated reports.
- Jan 2011 – July 2012 **Research Assistant, Harris County Psychiatric Center, Houston, TX**
Responsibilities: Conduct suicide risk assessments with in-patient adolescents; attend weekly meetings related to risk assessment for suicidal behaviors in youth and adolescents.
- 2010-2014 **Research Assistant, Center for Forensic Psychology, University of Houston, Houston, TX**
Responsibilities: Primary project coordinator for Jury Behavior Study, undergraduate research assistant coordinator, attend weekly laboratory meetings for review of research in progress, theoretical development, review of articles and presentation preparation.
- 2009-2010 **Research Assistant, Psychophysiology of Emotions Lab**
Vanderbilt University, Nashville, TN
Responsibilities: Collect psychophysiological data from community participants and undergraduates while conducting an interpersonal psychopathy study, attend weekly laboratory meetings for review of research in process.

RELEVANT EMPLOYMENT HISTORY

- Jan 2009- May 2009 **Metro Public Defenders Office, Nashville, TN**
Responsibilities: Conduct initial interviews with juveniles and their families and complete social histories. Compile educational and therapeutic records on juveniles, develop dispositional plans, identify needed treatment resources, and implement and case manage dispositional plans. Advocate on behalf of juveniles with professional staff in treatment agencies as well as in a courtroom setting.

TEACHING EXPERIENCE

- Sept 2010 – May 2012 **Teaching Assistant, Department of Psychology**
University of Houston, Houston, TX
Responsibilities: Hold office hours for students in Abnormal Psychology and Introduction to Psychology courses. Grade term papers, exams, and extra credit assignments. Assist instructors in expanding test item banks.

March 2012
